THE BEASLEY CHAPEL

The Beasley Chapel has a stunning interior with original wooden walls, gleaming hardwood floors, and built-in benches.

The Chapel's many windows allow natural light to stream in, illuminating the beautiful area.

The view from inside the chapel looking out at the surrounding lawn is as breathtaking as the interior of the chapel itself.

This unforgettable venue built in 1910 and includes a functional bell tower with a pull rope to announce the happy couple's new union and enhances the fairytale atmosphere.

Wall sconces line the walls and provide additional romantic lighting. This ceremony space can seat 100 guests comfortably.

Say your vows in a one-of-a-kind Chapel guests will remember for a lifetime.

THE POLLY RYON GAZEBO

With breathtaking views overlooking miles of open pasture, this venue offers simple beauty for a ceremony, with additional space and versatility for a more grand affair. Whatever the occasion calls for, The Polly Ryon Gazebo provides a picturesque location to share your vows and make lifelong memories. There is ample space for seating up to 250 guests around the gazebo, with a brick pathway leading up to the area.

Bordering the historic George Ranch House and surrounded by Texas oaks, this space can accommodate up to 20 guests at a time in the treehouse, with the yard seating up to 200 guests. Staff can also add candlelights and tiny clear lights to the garden space to create a magical, romantic feel for your wedding day.

THE GEORGE RANCH ARENA

The George Ranch Arena is our largest and most versatile wedding space. Exposed beams and soaring ceilings make this venue highly customizable, allowing us the ability to bring your dream wedding to life with ease.

The arena boasts a fully equipped professional chef's kitchen and climate-controlled restrooms. The second-floor air-conditioned lounge can hold up to 40 guests and is perfect for pre and post-ceremony preparation. With 63,000 square feet and the ability to host up to 3,500 seated guests, this venue is ideal for larger weddings.

Powerful yet quiet fans maintain a comfortable temperature, and we can hang specialty drapery to seclude the event space to create an intimate atmosphere for your event. The large arena doors can be opened to incorporate full airflow into your celebration.

Included with your rental is a fully upgraded electrical system, as well as complete access to our audio booth, WIFI, and a PA system that broadcasts throughout the entire arena.

THE GUY LODGE HALL

Our most popular reception hall is over 100 years old, and still has the original punched tin ceiling, hardwood floors, and barn wood walls. Large windows overlook the tree-lined South Yard and provide ample natural light.

A convenient built-in stage, large bar, and several dimmable vintage light fixtures give this space a rustic-chic ambiance.

While the Hall is historical, recent additions include remodeled restrooms, central heat and A/C, and WIFI access throughout the venue.

THE BEASLEY POST OFFICE

Built at the turn of the 20th Century as the Beasley Hardware Store and Post Office, this venue can seat up to 50 guests, making it ideal for rehearsal dinners and micro weddings.

This space is perfect for a cocktail hour before the reception begins, and catering for South Yard events are served from this location.

It features heating and air conditioning, a bar with built-in shelving, ample storage, ceiling fans, and windows that offer plenty of natural light and beautiful views of the lawn.

THE SOUTH YARD

The South Yard is the perfect outdoor location to host your wedding under the trees and beneath the stars.

The incredible woodland landscape that surrounds the South Yard and the 200-year-old arching oak tree provide a gorgeous backdrop for wedding photos.

A blooming crepe myrtle pathway, pecan tree lane with interwoven branches leafing overhead, the historic gazebo sitting nearby, and longhorns roaming in the green pastures provide a one-of-kind outdoor event experience.

Unique additions including a real wood fire pit for s'mores, yard games and string lighting create an ambiance that will leave a lasting impression on you and your guests.

The South Yard is a versatile event space that's ideal for a range of weddings, from black-tie affairs to rustic chic celebrations. A tent can be added for elegance.

This space can comfortably seat more than 500 guests and accommodate over 2000 guests in the adjacent yard. Recently renovated, climate-controlled restrooms are nearby.

THE BRIDAL SUITE

The recently renovated bridal suite is designed to be a beautiful and comfortable space for you to be pampered by your best friends on your special day.

The suite features wall-to-wall mirrors, more than 20 power outlets, an integrated Bluetooth speaker, multiple wall hooks for purses, a closet with velvet hangers for the bridesmaid's dresses, a separate closet with a dedicated hook for the wedding dress, lighted makeup stations, and a private bridal dressing area.
